Please pay the entry fee only after official approval of the event is announced on the website of Enduroklub W7 in the first week of June: <https://www.enduroklub-w7.at>

4. Entry and Technical Inspection

24 July 2026: 17:00 - 20:00

25 July 2026: 8:00 - 9:00

Inspections take place in a designated area in the paddock.

Requirements:

- Motorcycle: Registration plate must be mounted on the motorcycle, a valid §57a or TÜV inspection sticker must be attached to the motorcycle, the headlight as well as tail and brake lights must be fully functional, the race number must be attached to the motorcycle in threefold - once on the right and left sides and in the front.
- Valid §57a or TÜV inspection report
- Protective Helmut with certification label ECE 22-05 or 22-06
- Registration certificate
- International Insurance Card
-
- Drivers Licence

The riders' briefing takes place at 09:30 on both days. Attendance is mandatory for all participants

5. Event schedule

The motorcycle must be pushed to the start; the engine must not be running during this time. The engine may be started during the designated start minute. One minute is allowed for the so-called start check; if the engine does not start, the participant must leave the area and receive penalty points.

A total of 4 laps will be ridden, with a special test, an acceleration test and a braking test to be completed in each lap.

A speed limit of 30 km/h must be observed without exception when passing through driveways as well as in residential areas and within town limits. We ask for full discipline, since we, as Motorsport enthusiasts, do not want to upset the local population.

Instructions from the organizers and marshals are to be followed.

6. Classification

From a total of 200 points, the rider's age and the age of the motorcycle are deducted.

Furthermore:

Failure to complete the test: 10 points

Entering the time control too early/late for each minute or part thereof: 60 point

Failure to complete the breaking test: 10 points

7. Start Order, Refuelling

The start is staggered by class, with two or three riders starting per minute in ascending order.

Refueling is only permitted in the paddock and on environmental mats. Vehicles must be parked exclusively on environmental mats. Participants who do not comply with this rule will be disqualified.

8. Classes

Oldtimers (Twin Shock and drum brakes)

C1 up to 80cc, year of manufacture until end of 1983

C2 up to 125cc 2 stroke, 250cc 4 stroke, year of manufacture until end of 1983

C3 up to 250cc 2 stroke, 500cc 4 stroke, year of manufacture until end of 1983

C4 above 250cc 2 stroke, above 500cc 4 stroke, year of manufacture until end of 1983

C5 Open displacement, year of manufacture until 1975

C6 Veterans 65+, Oldtimer or Youngtimer

C7 Veterans 70+, Oldtimer or Youngtimer

C8 Youngtimer, years of manufacture from 1984 until end of 1993

If less than 5 riders register in one class, the respective class will be added to another.

7. Prizes

The top three riders per class receive a clay trophy, handcrafted by a young local ceramist.

10. Liability waiver

Participants take part in the event at their own risk. They bear civil and criminal responsibility for all damage caused by them or with the vehicles they use.

By registering, participants waive their right to take legal action or seek recourse against the organizer, its agents and assistants, authorities and all other organizations or legal entities associated with the event for any accidents or damage suffered in connection with the event.

The organizer reserves the right to make any changes to the event schedule and supplementary regulations required due to force majeure or for safety reasons, or, in consultation with the event management, to issue regulations and rules of execution, or even cancel the event if this is necessitated by exceptional circumstances, without incurring any liability for damages.

The signed liability waiver form must be submitted along with the entry form for the registration to be valid.
